CHOOSE WISELY

The Choose Wisely programme is an initiative of the World Wide Fund for Nature to help consumers identify over-fished, fast-depleting and better seafood choices through a traffic light indicator system.

 Over fished. Think again!  Under threat. But there's better.  Choose wise. Go for it!

In keeping with our Responsible Luxury ethos, ITC Hotels in collaboration with WWF-India and Central Marine Fisheries Research Institute choose to present only sustainable marine species marked in green, with plenty of stock available.
