VEGETARIAN NON-VEGETARIAN

Our menus indicate approximate quantity of serving sizes for menu items, indicated by the sign (~). An average active adult requires 2,000 kcal energy per day, however, calorie needs may vary.

While ordering please inform our associate in case you are allergic to any of the following ingredients:

Cereals containing gluten - i.e., wheat, rye, barley, oats, spelt or their hybridized strains and products of these | Crustacean and their products | Milk and milk products | Eggs and egg products | Fish and fish products | Peanuts, tree nuts and their products | Soybeans and their products | Sulphite in concentrations of 10mg/kg or more

Our chef would be delighted to design your meal without them.

Vegetable Oil | Butter | Desi Ghee used in preparations

CHOOSE WISELY

The Choose Wisely programme is an initiative of the World WIde Fund for Nature to help consumers identify over-fished, fast-depleting and better seafood choices through a traffic light indicator system.

Over fished. Think again! Under threat. But there's better. Choose wise. Go for it!

In keeping with our Responsible Luxury ethos, ITC Hotels in collaboration with WWF-India and Central Marine Fisheries Research Institute choose to present only sustainable marine species marked in green, with plenty of stock available.
