ITC HOTEL
RESPONSIBLE LUXURY

ITC SONAR
KOLKATA

Gaurav Soneja
Cluster General Manager,
ITC Hotels, Kolkata

Dear Guest,

Namaste!

My team joins me in welcoming you to ITC Sonar. We are committed to facilitating an enjoyable stay for you.

The story behind ITC Sonar is very compelling – Bengal is its inspiration and ITC Sonar is ITC Hotels' tribute to the City of Joy. Founded by an Englishman, Job Charnock in 1690, Kolkata was originally three villages – Kalikata, Sutanuti and Govindapur. It grew to immense stature, and became known as the second city of the British Empire and the Capital of India till 1911.

Today, Kolkata retains the aura of its long and interesting past. Music, theatre and cuisine, historic buildings, interesting side streets and most important, friendly people make it a city with a soul.

Kolkata's luxury business resort, ITC Sonar seamlessly merges the efficiency of a world-class Business Hotel with the feet-up feel of an upscale resort. Rooted in the soil it stands on, the essence of Bengal is found in the expansive water bodies and evergreen foliage with variety of fish amidst the profusion of lilies. Carefully chosen sculptures and paintings remind you of a cultural heritage universally acknowledged as the hallmark of the region. Essentially a canvas of complementary contrasts, ITC Sonar blends tradition with cutting-edge technology. Luxuriate in superior accommodation matched with an unrivalled offer of signature restaurants and Kaya Kalp – The Spa provides a complete sense of wellness and rejuvenation.

In keeping with ITC Hotels' credo as the world's greenest hotel chain, ITC Sonar is a LEED Platinum certified Hotel in the Existing Building category.

This directory is designed to acquaint you with all the services that we offer at ITC Sonar.

If there is any assistance or additional information you require, please feel free to call upon me at Extn. 8001 or our Customer Relations Manager at Extn. 50.

Thank you for being our guest. We appreciate your patronage.

Best regards,
Gaurav Soneja
