WELCOMHOTEL KHIMSAR FORT & DUNES

OVERVIEW

In the midst of sand dunes, yet spread over eleven acres of sprawling lawns, orchards and open courtyards, Welcomhotel Khimsar Fort & Dunes stands well-preserved like a royal manor. Established in the 15th century by Rao Karamsji – the eighth son of the founder of Jodhpur, Rao Jodha – the architecture of its fortified castle reflects immense history. In fact, The Ministry of Tourism, Government of India, has bestowed it with the Best Grand Heritage Hotel in India Award for excellence.

Twenty one generations later, a part of this fort is still residence to the head of the Karamsot Rathore clan, of direct lineage, while the rest has been opened out to offer royal Rajput hospitality, personally overseen by this distinguished family. We look forward to enriching your stay in Khimsar with a regal experience that carries deeper meaning.
